Community Blood Drive
Come Help Our Hornet Hive Save Lives

Seniors

Winners Receive:

1st place Free Blanket &$15 gift card

2nd place $15 gift card

This is a community blood drive to help save lives and earn more money for your senior class. The senior to get the most community members to sponsor them in this community blood drive with a successful blood donation will win prizes above. Have your donor put your name on the ticket along with their name and bring it to the blood drive on November 15th when they donate. Teachers and staff do not count as a senior sponsor for this blood drive.

Questions see Nurse Gina or Ms. Pond

Prefer teachers & staff to donate on the school blood drive day of December 15th due to we need at least 25 successful donations at each blood drive. Also, any senior athletes that want their blood cords please see me to work out donation details. You deserve both!
